Context of school

St. Bride's Primary School is a Roman Catholic Primary School for stages Primary One to Primary Seven. At present, our roll is 278 pupils divided into 11 classes. The school building also accommodates a Nursery Class which was extended to accommodate 48 full time pupils in August 2019 in response to delivery of 1140 hours. The total School and Nursery roll is 329 pupils in August 2023.

As part of South Lanarkshire Council's investment in improving school buildings, our new school and nursery opened for pupils in January 2015.

At St. Bride's Primary School Community, our aim is to ensure that there is a welcoming atmosphere and a positive ethos throughout the whole school and nursery and that all pupils are educated in a safe, secure, happy, and health-promoting environment. Within our Catholic School and our Nursery, we foster tolerance, care, concern and respect for ourselves and others. The learning and achievement of all the pupils is valued and high aspirations and ambitions are actively promoted. All pupils are nurtured and enabled to develop strong foundations of knowledge and understanding and become responsible citizens, effective contributors, successful learners, and confident individuals.

The Staff of St. Bride's Primary School and Nursery Class are committed to making every pupil happy and secure in school and this principle underpins our programmes for Teaching & Learning and all our experiences. We value each pupil as an individual and hope that experiences gained at school will give your pupil a positive self-image, confident in their valued contribution to the school and the wider community where we work to develop experiences to last a lifetime.

St Bride's Nursery Class and Primary School have worked together with our community to review our school vision, values and aims.
