Nursery News

The children are settling in well, with our returning children being a great support to the new children who have joined us over the last few weeks. The children have been enjoying learning outdoors and across the playroom with construction and art experiences proving very popular. The children are developing their personal skills as they select and serve snack in the playroom.

Target Setting

Pupils will be working with their teachers this week, Monday 31st August, to set their Learning Targets in Literacy, Numeracy and Health & Wellbeing for this Term. Target Setting sheets will be sent home for you to discuss targets with your child. Please return sheets to school when complete.

Home Learning

At St. Bride's Primary School, we recognise the importance of partnership between home and school to support children's learning. One important aspect of this is ensuring parents/carers have the necessary information to consolidate and extend their child's learning at home.

Home Learning will be shared via Google Classroom on a monthly basis. (First Monday of each month) Included in the grid will be details of what skills children are developing in school in various areas of the curriculum. Primary 1 - 3 will also be issued Home Learning in paper form.

Please have a read at our Home Learning Position Statement. A copy can be found on the school website and was shared electronically with parents. Please note the changes on Pg4 regarding sharing of Google passwords.

Attendance & Late Coming

Last session we had a particular focus on monitoring pupil attendance with great success.

Our overall school attendance was 95.1% which was slightly higher than South Lanarkshire Council and the National average. This Session we will be monitoring and focusing on late coming as well as attendance. School starts at 9am and it is very important that children are in the playground, lining up and coming into class with their peers every day.

Missio Visit ~ Missio **GOLD** Flag Award

On Monday 31st August we welcomed Ger Gough from Missio Scotland to Assembly. Ger told us all about the work that Missio do throughout the world and he accepted a cheque for £1543.69 which we raised last school session. We are now the 1st school in Scotland to be awarded a **GOLD** Missio flag. We are all very proud! Thank you for your continued support.
